

# JANUARY 2016

How likely are you to recommend our GP Practice to friends and family if they needed similar care or treatment?

Respondent Number	Response	Comments
1	Extremely likely	Dr * really efficient, warm & friendly manner. Have recommended to friends and family
2	Extremely likely	Always on time. Staff very helpful. Can't think of any improvements to be made. Supply cakes?
3	Extremely likely	It's great to have docytors like Dr * who are caring and supportive
4	Extremely likely	Reception was very good and made me feel at ease. Also Dr * is very patient and had a lot of time for my husband who is now deceased. So nothing can be improved. Thank you
5	Extremely likely
